

**Cedar Valley Resort
905 Bench Street
Whalan, MN 55949**

**Owner
Larry Johnson**

This project consisted of three phases and three separate cabins. The first phase was a remodel of an existing single-story mink barn. Phases two and three were both new two-story cabins. All three cabins are common framed with log siding on the exterior and tongue & groove pine car siding on the interior walls and ceiling. Cathedral ceilings and log railings are also featured in this project.
