

**Manny's Mexican Cocina Restaurant  
301 Hampton Court  
Onalaska, WI**

**Owners  
Manuel and Lynnae Rivera**

This 5,600 sq. ft. wood frame building was a partnering project with Wieser Brothers, MBA Architects, and the owners to come up with a unique design to include a state of the art kitchen with walk-in cooler and freezer. This wood frame building has an open truss design along with a full bar . Many specialty items imported from Mexico were implemented in the design to provide a unique dining experience.
